concise explanation of the relevance of the documents is believed to be required under 37 C.F.R. §1.98.

Document FA is not in the English language. However, the concise explanation of the relevance of the document required under 37 C.F.R. §1.98 is believed to be satisfied by the submission of an English language abstract thereof.

Documents UB to UE and FA have been cited in the International Search Report of the present application. A copy of the search report was submitted to the Office on March 11, 2005. The relevance of each document is also discussed in the International Search report. Please note an Examiner's obligation to consider documents cited in an International Search Report according to the provisions of MPEP §1893.03(g).

Documents UC to UF have been cited in a search report and office action in the Finnish priority application of the present application. A copy of the search report and office action are attached hereto.

Document UG has been cited in a search report in a corresponding Chilean patent application. A copy of the search report is attached hereto.

Document UC is described in the paragraph beginning on page 1, line 7 of the specification of the present application. Document
